## IS-Glasgow 2019

*7<sup>th</sup> International Symposium on Deformation Characteristics of Geomaterials*

### The Symposium

The TC101 of the ISSMGE is pleased to announce the 7<sup>th</sup> International Symposium on Deformation Characteristics of Geomaterials to be held in 2019 in Glasgow. The Symposium is co-organised by the University of Strathclyde in Glasgow and the University of Bristol. Building on the tradition of previous Symposia from Sapporo in 1994 to Buenos Aires in 2015, IS-Glasgow 2019 will bring together researchers and practitioners to explore new directions in geomaterial testing.

### Why Sponsor/Exhibit at IS-Glasgow 2019?

Boosted by its international reputation as part of the ISSMGE International Symposia on Deformation Characteristics of Geomaterials, IS-Glasgow 2019 is attracting delegates at the cutting edge of research and laboratory testing. The conference is designed to bring together established practitioners and academics with young researchers in the field of geomaterials. IS-Glasgow 2019 will therefore offer an invaluable opportunity for sponsors and exhibitors to network and build relationships with current and future leaders in the field.

The conference will be held in the purpose-built [Technology and Information Centre](#) (TIC), at the heart of the University of Strathclyde's city centre campus. Opened in 2015, TIC has been designed to maximise delegate and exhibitor interaction and with specialist in-house technical and event teams, it is the ideal conference venue.

IS-Glasgow will be taking place in the heart of Scotland's largest city. Glasgow prides itself as an open and vibrant city, well connected to the rest of the UK and served by three international airports. In addition to being recently named the 'friendliest city in the world' by Rough Guides, Glasgow was named by the [New York Times](#) as one of the top 52 places in the world to visit in 2018. Famous for its parks and open spaces, museums, galleries, food and drink, it is the ideal destination for summer 2019.

### Sponsorship and Exhibition Opportunities

The sponsorship and exhibition packages are outlined in the following pages. Exhibition space is included in the packages, however if you would be interested solely in exhibiting, or would prefer a bespoke sponsorship opportunity, we are happy to discuss these possibilities with you.

If you are interested or have any questions, please contact Katharine Houston ([katharine.houston@strath.ac.uk](mailto:katharine.houston@strath.ac.uk)).

## Sponsorship Packages

		<b>GOLD ( &gt;£8,000)</b>	<b>SILVER (£5,000)</b>	<b>BRONZE (£2,000)</b>	<b>MINI (£1000)</b>
Company acknowledged as a principal sponsor during the symposium (opening and closing events)		✓			
Company name displayed on a screen during all coffee breaks		✓			
Promotional piece in attendee bag (provided by company and approved by OC)	Two Pieces	✓			
	One Piece		✓		
Exhibition space (Stand: table 140cm x 80cm, 2 chairs, cloth)	Double Stands (Level 2 Foyer)	✓			
	One Stand (Level 2 Foyer)		✓		
	One Stand (Level 3 Foyer)			✓	
Admissions to symposium included	Two	✓			
	One		✓		
Symposium website	Logo and link on homepage & sponsor page	✓			
	Logo and link on sponsor page		✓		
	Logo on sponsor page			✓	✓
Programme	Logo on front page and Advertising Space (Whole Page)	✓			
	Logo on sponsor page and Advertising Space (Half Page)		✓		
	Logo on sponsor page			✓	✓
Proceedings	Logo on title page	✓			
	Logo on sponsor page		✓		
	Logo on sponsor page			✓	✓

**N.B. Sponsorship packages do not include VAT**

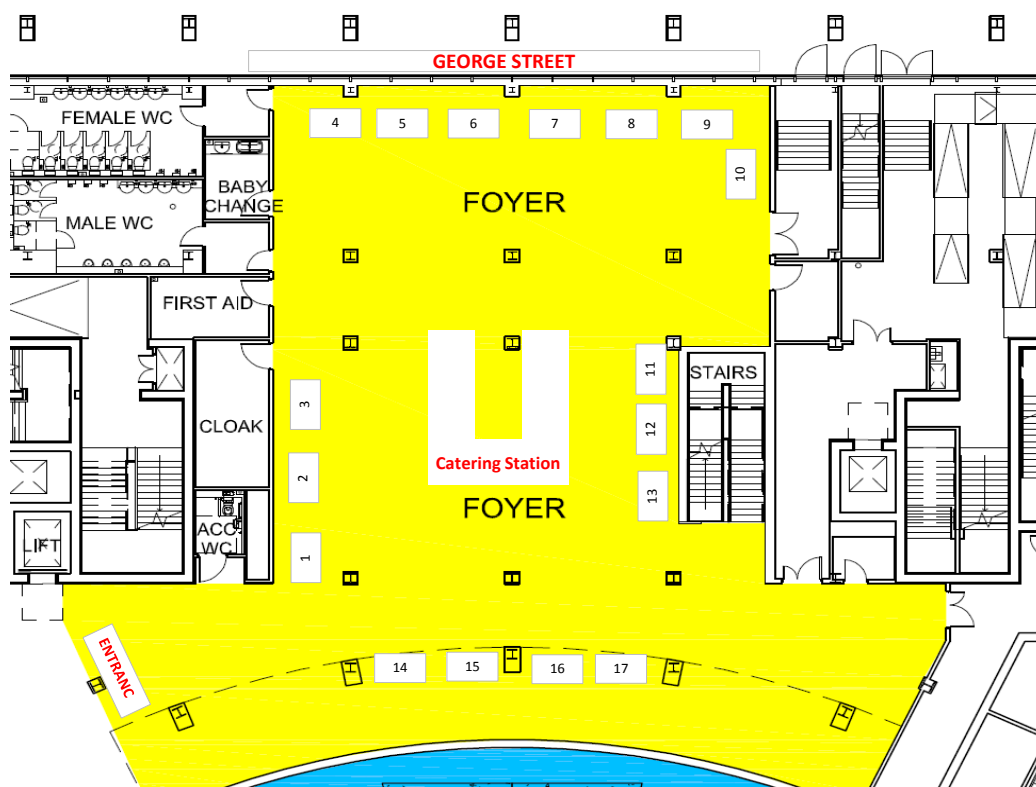

## Additional information

- The symposium will only have one Gold sponsor.
- The Gold Sponsorship Package will be open to bids over £ 8,000. The deadline for bids for the Gold package is 31<sup>st</sup> October 2018.
- Silver, Bronze and Mini sponsorship can be purchased any time on a 'first come, first served' basis.
- The Gold and Silver exhibition space is on Level 2 of TIC. This is the entrance level to TIC and to the auditorium.
- The Bronze exhibition space is on Level 3 of TIC which is the upper foyer and leads out from the upper entrance/exit to the auditorium. Both Level 2 and Level 3 will have catering stations and we will ensure the flow of delegates over both levels.
- **Full floor plans are available below.**
- The tables and chairs offered are optional. You are free to arrange your own furniture/installations. We ask that you discuss this with us at least two months in advance of the event to allow us to meet your needs.

## The Venue (TIC)

The conference space has been designed to maximise delegate interaction with exhibitors. The exhibition spaces are located directly outside the main auditorium and during IS-Glasgow 2019 the space will be combined with catering stations. This ensures that delegates will be guided to the exhibition spaces during all coffee and lunch breaks. The [TIC website](#) has full information on its facilities and offers a virtual tour of the venue.

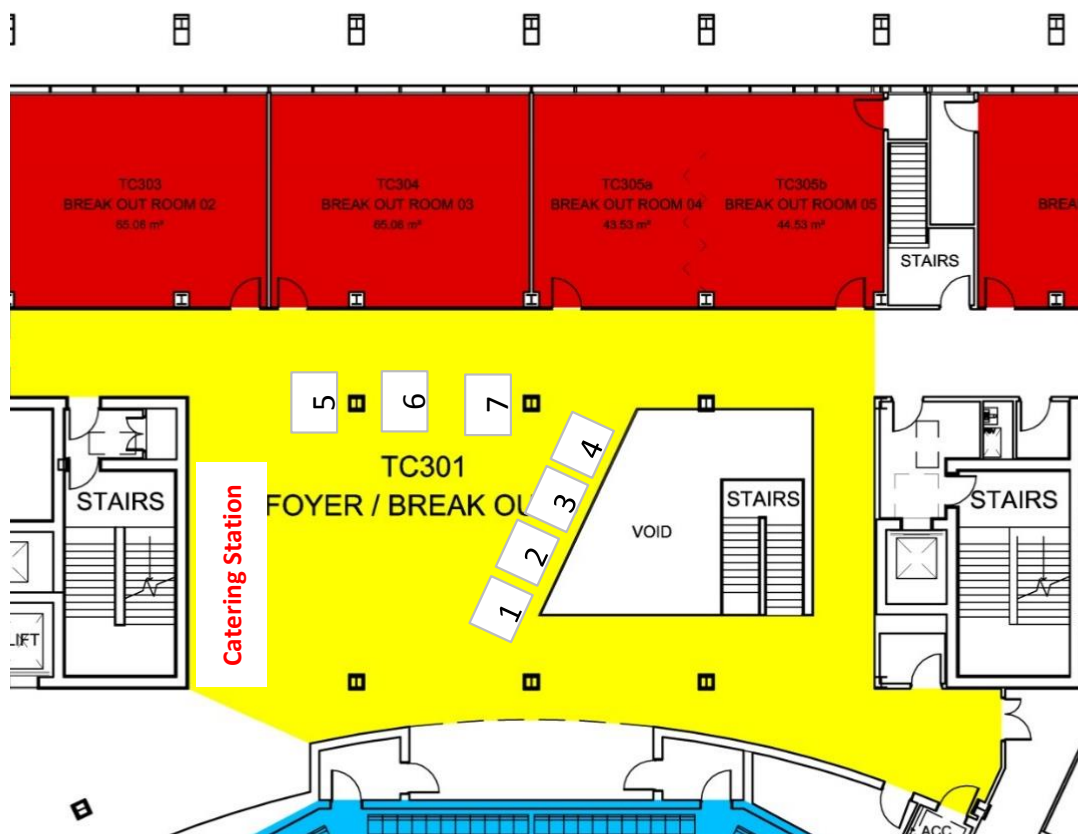

### Level 2 Floor Plan

NB: The auditorium is in blue. The floor spaces are flexible and the layouts demonstrated are for illustrative purposes only.

## Level 3 Floor Plan

NB: The auditorium is in blue. The floor spaces are flexible and the layouts demonstrated are for illustrative purposes only.
